Client Reviews ☆

"Having recorded with Ben a few times, he is remarkable at vibe matching and using anything available to his advantage, whether it be utilising technology or bringing the best out of whoever he's working with."
-Dumb Demon

"Ben is an absolute delight to work with. He instantly understands what sound I'm looking for with a quick turnaround."
-Vanessa Taylor

"Ben is an excellent producer, thorough and well thought through. He listens to the artists he works with, while still embellishing his unique production identity and flair. He's, constructive and easy to talk to and share ideas with. we have a lot of fun!!!!"
-Annie Hayes
